# STATE TRACK MEET WON BY OGDENITES

Young Athletes From Junction City Too Fast for Salt Lakers.

Visiting Team Showed Great Strength In the Sprints and Won Them in A Most Decisive Manner.

The bunch of sturdy youngsters composing the track team representing the Ogden High School in the big track meet on Cummings geld Saturday after-noon walked off with the greater number of points, or rather ran off with them and now the championship of the state reposes in the Junction City. The inter-esting part of the meet was the friendly, but intense rivalry between the high schools of Salt Lake and Ogden. The latter team had a big crowd of rooters whose vocal organs were in excellent con-

sity.

It was agreed that each school shall enier at least eight men and the A. A. U. rules will govern the meet and the following officials were decided upon:

a mignty purst of cheering from the visitors.

It was a great struggle between Ogden and Sait Lake, and the victory of the visitors was decisive and leaves no room for doubt as to superiority. Remembering what Ogden did in the footbail game last fall, the Sait Lakers fought desperately to beat the rival team but failed. In the sprints there was nothing to it but the Junction City lads. They took the hundred, two-twenty and relay, but in the four-forty Meyer was disqualified for fouling Carmichael.

Wilkinson, however, is a bit anxious to make the race worth while from a financial standpoint, and insists that a side het of \$100 be made. Shotz, in his challenge, offered to wager \$25 on the result, but it is likely that he will be able to get \$75 more and make the side bet.

The management of the Richards street rink is now arranging the details of the race, and if the two skaters can agree, the date of the contest will be announced in a day or two.

Ogden tomorrow night comes the twenty-round argument between "Fighting Dick" Hytand and Billy Finucane, catled the "Fighting Irishman."

Christie and williams will enter the ring tonight at catch weights and there will be little if any difference in their poundage. Each will tip the beam at about lee and both claim to be in excellent condition. They have been training for the past two weeks. In Morgan williams, Christie goes up against a tough proposition, Williams is a rugged, aggressive fighter, and has a punishing waited in either hand. In point of cieverness Christie is undoubtedly the better of the two, and he will depend on his last, foot work and quick left jabs to save him from serious trouble.

At least 200 local fight fans will take the special train over the Rio Grande-at 6:30 this evening. A special rate of \$1.50 has been made for the affair and the train will return as soon as the fight is over. The question of referee has not been settled but in all probability the third man in the ring will be Mike Fitzgerald of Park City.

HYLAND-FINUCANE.

HYLAND-FINUCANE.

The Christie-Williams bout in no way detracts from the interest-in the Hyland-Finucane fight at Ogden tomorrow might. Tickets for seats for this event have been going like hot cakes, and one of the largest crowds that ever attended a fight in Ogden is expected at the ringside. Finucane, the Chicago boxer, is the favorite with the Ogdenites, although Hyland has many warm friends there. Finucane says he is in great shape and is confident be will put a temporary stop at least to Hyland's winning streak.

Hyland quit training yesterday afternoon and according to Red Sammy McClintic, Hyland's little manager, Dick is in great shape. McClintic said this morning he felt sure Dick would put the Chicagoan down for the count before the twentieth session is announced by the gong. Two special trains will run over the Rio Grande. The first will leave at 7 and the other at 8 p. m.

No decision has been reached on the question of referee, but it will be settled before the men get into the ring. The name of Charley Lange has been suggested and he may be the third man in the ring. The main event will be started at 9:30 sharp.

John Dubel's baseball team batted out a victory against the Solders' team of Fort Douglas at Walker's field yesterday afternoon, the score being 11 to 4.

Krause, pitcher for the Soldiers, had the Salt Lakers' puzzled for about three innings, and then they began to solve the problems dished up by the soldier twirler and the hits came thick and fast until 14 were chalked up in favor of Dubel's boys.

Keene's Commando colt, last Thursday stepped a mile and a sixteenth at Belmont park in 1:43-5, equalling the world's record for that distance, with 112 pounds up. The Brooklyn handleap is at a mile and a quarter and in it Superman is asked to pick up only 25 pounds. Miller will ride him.

Accountant, Go Between, Salvidere and Dandelion are looked upon as the horses most likely to force Superman to extend himself if he is to bring the rich prize to the Keene stable for the fourth time, Salvidere was a wonderful performer last year, and though he will have his first start of the season tomorrow he doubtless will have numerous supporters among the bettors. Sewell, though speedy, is believed to like a shorter course. # Nervous Worn-Out

your nerve force is weak-the power is giving out, the organs of your body have "slowed up," and do their work imperfectly. This failure to do the work required, clogs the system and brings distress and disease. When the nerves are weak the heart is unable to force the life-giving blood through your veins; the stomach fails to digest food; the kidneys lack power to filter impurities from the blood, and the poisonous waste remains in the system to breed disease. Nerve energy must be restored. Dr. Miles' Nervine will do it, because it strengthens the nerves; it is a nerve medicine and tonic, that rebuilds the entire nervous system.

"Several years ago I was all broken down. I was nervous, worn-out, could not sleep, and was in constant pain. I doctored for months, and finally the doctor said he could do nothing for me. I began taking Dr. Miles' Nervine, and used altogether eight bottles, and I became strong and healthy, and now weigh 170 pounds."
